

Board & Executive Management Relation: Building A Productive Partnership.

Course Overview

This course aims to enhance the relationship between board members and executive management, fostering a collaborative environment that drives organizational success. Participants will explore best practices, communication strategies, and governance principles to build a strong partnership.

Course Objectives

- ✓ Understand the roles and responsibilities of both the board and executive management.
- ✓ Identify key challenges in board-executive relations and explore solutions.
- ✓ Develop effective communication strategies to enhance collaboration.
- ✓ Learn to establish trust and transparency in governance.
- ✓ Create frameworks for ongoing evaluation and improvement of the partnership.

Course Objectives

Upon completion, participants will be able to:

- ✓ Articulate the roles of board members and executives in governance.
- ✓ Analyze and address common challenges faced in board-executive relationships.
- ✓ Implement effective communication strategies to foster collaboration.
- ✓ Develop mechanisms for accountability and performance evaluation.
- ✓ Create actionable plans to enhance the partnership between the board and management.

Course Benefits

- Improved collaboration and trust between board and management.
- Enhanced decision-making processes leading to better organizational outcomes.
- Increased understanding of governance best practices.
- Practical tools and frameworks for continuous improvement.
- Networking opportunities with peers and experts in governance.

Course Targeted Participants

- ✓ Board members and directors.
- ✓ Executive management (CEOs, CFOs, COOs, etc.).
- ✓ Governance professionals.
- ✓ Organizational leaders and stakeholders interested in governance.
